

Aggressive Pet Boarding Policy

Aggressive Pets: **The Doggy Hotel** has a **ZERO TOLERANCE** for aggressive animals. Aggressiveness may be the result of genetics, poor obedience training or numerous other causes. The end result however is increased risk of injury to staff members, other guests and customers.

For our purposes, **Aggressive** is defined as a direct action on the part of the pet to lunge at or bite an individual or other animal with the probable intention of doing harm to that person or other pet.

The Doggy Hotel Aggressive Pet Boarding Policy: We would encourage all owners of aggressive pets to find an alternative to boarding/ day care at **The Doggy Hotel**. In the event that any guest is deemed Aggressive at the time of Check In, Day Care or any other services offer by **The Doggy Hotel**, that guest will be categorized as an **“AGGRESSIVE PET.”**

The boarding fee for an aggressive pet will be **DOUBLE** normal boarding fee per day while under our care. These pets will not be offered playtime or any other services of **The Doggy Hotel**. We have made special arrangements within our facility to handle these pets with secure kennels, feeding and locks to ensure the safety of staff and other guests. We will notify the Owner, Primary Veterinarian and Animal Control as a last control measure. **The Doggy Hotel** is released from all liability in these isolated situations. Thank you in advance for your consideration in this matter.

I have read the above and agree to the terms and conditions as set forth in this policy.
